Inspiration

Gandhi is, now, a source of inspiration and a reference for those fighting against discrimination, oppression, war, environmental degradation, lack of freedom and human rights and for those fighting for a better world. Gandhi is, therefore no longer an individual, a symbol of all that is the best and the most enduring in the human tradition. And he is also a symbol of the alternative in all areas of life – livelihoods, growth, education, organization, etc.

Coexistence

Can we coexist? As a matter of living philosophy?

Intent and Spirit

Intent is the supreme driver of actions. Not results. The journey.
